The Basics
OneNote is somewhat like a virtual filing system. It provides one simple location to make your life easier. Physical filing cabinets are not as practical in a modern world. Information – plus they look really ugly.
The beauty of OneNote is that your pages don't weigh a thing, so you can take them anywhere. They are stored in the cloud which means you can access them from any device so you will never lose a note again. You can even search in the search bar -> More on that later.

PRO Template Notebooks
Kanban, GTD, Calendar, Tasks, Projects, Wiki, MyLife
10 Free Template Notebooks
FamilyTree, Cocktails, Finance, Legal, Fitness, TravelList, MovieHouse, Insurance, Cooking, Diary

Tricks
and SOOO helpful. Anytime I want to find anything I wrote on a page, I search for it in the search bar and it will find it for me. It can even find text in images.
